Additional Information

Admission eligibility is 10th pass from home country.

On receipt of your application with documents and fee we aim to send you full documents to apply for visa within seven working days.

If visa is refused then student must convey this to the college straightaway, so we can decide whether to appeal against decision or not. Limitation to appeal is 15 days only.

€500 of College tuition fee is non-refundable if visa is refused; the student must forward the refusal letter to the college straightaway in order to claim fee refund and if appeal is filed against the visa refusal decision then fee will be refunded after the court final orders.

Once visa is issued then tuition fee becomes non-refundable and it will not be refunded under any circumstances. To claim refund, visa refusal letter must be submitted within 3 days of refusal of visa.

College will endeavour to find the student's desire future course and will prepare student to qualify for that university or college admission. It will be responsibility of the student to fulfil all requirements for admission of those institutions and to satisfy the centre for quality assessment in higher education Lithuania.
